

STATE/LOCAL PARTNERSHIP PROGRAM (SLPP) PROJECT
SILVA VALLEY PARKWAY / US 50 INTERCHANGE

Project Description

The Silva Valley Parkway/US Highway 50 Interchange project is located in El Dorado Hills and will construct a new overpass of US Highway 50, on/off ramps, signalize intersections, and add new bicycle/ pedestrian facilities. The purpose of the project is to accommodate planned growth as noted in the County's General Plan as well as the El Dorado Hills Specific Plan. The project will decrease congestion and improve travel time by providing direct access to US Highway 50 for adjacent residents and businesses that would otherwise be required to access US Highway 50 by Bass Lake Road or El Dorado Hills Boulevard Interchange.

Current Project Status

SLPP funding was programmed to the project at the October 26/27, 2011 CTC meeting and must be allocated by the June 27-28, 2012 CTC meeting. The project is currently in the design (PS&E) and right of way (ROW) phase.

Upcoming Activities

- 100% PS&E and complete right of way acquisitions
- Allocation of SLPP funds by the June 28, 2012 CTC meeting
- Award construction contract by December 31, 2012

PROJECT FUNDING DETAIL				
Project Phase	Amount Programmed	Source	Status	Project Cost
PA&ED	\$600,000	Uniform Developer Fee (TIM)	Complete	\$600,000
PS&E	\$7,000,000	Uniform Developer Fee (TIM)	Pending	\$7,000,000
ROW	\$15,000,000	Uniform Developer Fee (TIM)	Pending	\$15,000,000
Construction	\$41,000,000	Uniform Developer Fee (TIM)	Programmed	\$41,000,000
	\$1,000,000	SLPP	Awaiting CTC Allocation	\$1,000,000
TOTAL	\$63,600,000			\$63,600,000
