SUBJECT: FEDERAL CMAQ FUNDING PROGRAMMING

Jason
Dear Mr. Crow:

El Dorado County Transportation Commission (EDCTC) recently concluded a Call for Projects process for Federal Congestion Mitigation and Air Quality (CMAQ) funds. On February 7, 2008 the EDCTC approved the programming of \$92,000 as a contribution to the regional Spare the Air program. Since CMAQ funds are apportioned to EDCTC through SACOG, please withhold \$92,000 of the total \$2,300,000 EDCTC apportionment of CMAQ for the Spare the Air program.

Sincerely,

A handwritten signature in black ink, appearing to read "Jerry Barton", is written over the word "Sincerely,".

Jerry Barton
Senior Transportation Planner
