Dear Mr. <sup>Richard</sup> Shepard:

As you are aware, El Dorado County Transportation Commission (EDCTC) recently concluded a Call for Projects process for Federal Congestion Mitigation and Air Quality (CMAQ) funds. On February 7, 2008 the EDCTC awarded \$2,208,000 in Federal CMAQ funds to El Dorado County Department of Transportation for construction of High Occupancy Vehicle (HOV) Lanes from El Dorado Hills Boulevard/Latrobe Road Interchange to Bass Lake Road Interchange. CMAQ funds programmed to this project to date are as follows:

FISCAL YEARS 03/04 & 04/05	\$3,951,511
FISCAL YEARS 05/06 & 06/07	\$1,834,972
FISCAL YEARS 07/08 & 08/09	\$2,208,000
<b>Total</b>	<b>\$7,994,483</b>

The project will need to be amended into the Metropolitan Transportation Improvement Program (MTIP) by DOT staff and approved by Caltrans before the newly programmed funds can be expended.

Sincerely,
