TRANSPORTATION
COMMISSION - Long Range Plan
Report

Attn: Michael Higgins, SR Planner

FROM: ALICE RUSH (916) 933-2915
1515 Pemberton Way, EDH

① I would be in favor of Rail/Train
to South Lake Tahoe.

② We need to extend light rail from
current Folsom Plan - UP to (at least) ED
Dorado Hills and ideally up to
Placerville. (EDH to SACRO at very minimum)

Currently it takes me 30 minutes in traffic to
get from EDH to Folsom - Driving.

That's alot of Congestion, EMISSIONS - & Substantiates
Population density in EDH - worthy of light rail!
Let's not just stop at Folsom!
