MEMORANDUM

DATE: **NOVEMBER 5, 2026**

TO: **INTERESTED PARTIES**

FROM: **SHANNON THAGGARD, ASSOCIATE TRANSPORTATION PLANNER**

SUBJECT: **QUESTIONS AND RESPONSES REGARDING THE WESTERN EL DORADO COUNTY SHORT AND LONG RANGE TRANSIT PLAN (2026-27) REQUEST FOR PROPOSALS**

El Dorado County Transportation Commission (EDCTC) received the following questions regarding the Western El Dorado County Short and Long Range Transit Plan (2026-27) Request for Proposals. In order to provide a fair and transparent process, these questions and responses are being provided to all parties who were originally contacted with regard to this RFP.

1. Do you envision on-board surveys as part of this process?
    - *Yes.*

2. Will boarding and alighting data by stop and run be available for this study?
    - *Yes. Boarding and alighting data will be available from fiscal years 2018-19 through 2024-25. For fiscal year 2025-26, data will be available but there will be some gaps due to equipment transition.*

3. Will presentations to the El Dorado County Transit Agency (EDCTA) and EDCTC board be virtual or in-person?
    - *The draft plan presentation should be in-person for both EDCTA and EDCTC. The final plan presentation can be remote.*
