TABLE ##: EL DORADO COUNTY, CITY OF PLACERVILLE AND CALTRANS REGIONAL TRANSIT 2020-2025 COMPLETED PROJECTS

El Dorado Transit Goal	Description	Average Annual Cost*
Extend Route 50X, Revise Routes 20 and 60	Extend Route 50X eastward to Placerville Station and revise Routes 20 and 60 to avoid unnecessary duplication of service.	(\$48,400)
Route 40 Additional Stops	Provide additional stops along the existing route in order to improve access to residential and commercial centers.	\$2,480
Eliminate 6 AM Route 30 Run	The 6 AM run of Route 30 serves an average of only 0.6 passenger boardings per weekday. Eliminating this run will reduce ridership by an estimated 150 per year (roughly one passenger every other day) but would save approximately \$29,800 in annual operating costs. Convert the Iron Point Connector into the US 50 Express Route, using a single bus to provide consistent service every two hours between Placerville and Folsom. Reconfigure the Cameron Park Route to an hourly community shuttle.	(\$31,180)
Make 6 PM Diamond Springs Run On-Request	To reduce operating costs, the last Route 30 run of the day will be entirely on request for drop-offs, serving any passengers onboard at the beginning of the run and then returning directly to the operations facility. Implement a one-day-a-week "Activity Bus," on a demonstration basis. El Dorado Hills' residents could reserve trips no more than 14 and no less than 2 days in advance. If less than five one-way trip requests are received by 5 PM on Monday, the service would not be operated. In addition, trips would be accommodated on an on-call and as-available basis on the day of service.	(\$23,860) Implemented for 2 years
Add commuter stop at University and 65 th	Add commuter bus stop at University Avenue and 65 th street	\$8,780
Transit Annual Operations	Maintaining transit services including local fixed route, deviated fixed route, Dial-a-Ride, and commuter service	\$10,394,778
Other Potential Future Service Improvements	Skier service to Sierra-At-Tahoe Ski Area or service to South Lake Tahoe. Implementation of these additional improvements will be dependent upon obtaining additional financial resources.
